Ordinance: Ordinances for the M.Phil and Ph.D. Programs

References: UGC (Minimum Standards and Procedure for the award of Master & Doctor of Philosophy Degree) Regulation 2016 and 2018 amendments.

O.1. Program Objectives (POs)

O.1.1 To provide research training at Master's and Doctoral levels in scientific methods related to a field of education for meeting out challenges at fronts of knowledge in the field.

O.1.2 To work out solutions of problems that need advancement of knowledge in an academic, technology, engineering, environment, industry or a new challenge in any unforeseen area where society has stressed need of advance study.

O.1.3 To publish the results in scientific journals preferably identified periodicals and journals having wide circulations as per UGC norms. This is to enhance Index of the University, Programs and Individual Researcher.

O.1.4 To provide academic means of exchange of ideas, knowledge and cooperation for tendering the rigid walls between societies, businesses and managements.

O.1.5 To identify the University in pursuit of advance and balanced thinking at both national and international level.

O.1.6 To promote and enhance scientific - knowledge - base of the global society including the local needs. New means may be searched or worked out to convert the available past knowledge for attaining a scientific base without changing the text of the old. Similarly, old time methods of harvesting water or any such eco-system and other similar resources to be analyzed. Its vital component may be promoted after its passing through the modern scientific perspective and utility. Conversely, the non-vital part may also be identified for the general awareness and avoidance.

O.1.7 To provide a scientific base to the industrial set up in the vicinity and even globally for utilization of resources and even the draining of disposals using the updated know how.

The M.Phil / Ph.D. degree awarded by Om Sterling Global University shall be designated as Master of Philosophy / Doctor of Philosophy. The title of the thesis shall be indicated in the certificate.

O.2 Eligibility Criteria for Admission to M.Phil. / Ph.D. Programme

O.2.1. Candidates for admission to the M.Phil. / Ph.D. programme shall have a Master's degree or a professional degree declared equivalent to the Master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.

O.2.2. A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/Differently-Abled and other categories of candidates as per the decision of the University Grants Commission from time to time, or for those who had obtained their Master's degree prior to 19th September, 1991. The eligibility marks of 55% (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of 5% to the categories mentioned

Om Sterling Global University

above are permissible based only on the qualifying marks without including the grace mark procedures.

O.2.3 A person whose M.Phil Dissertation has been evaluated and the viva voce is pending may be admitted to the Ph.D. programme of the University.

O.2.4 Candidates possessing a Degree considered equivalent to M.Phil Degree from any Indian Institution or from a Foreign Educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions, shall be eligible for admission to Ph.D. programme.

O.2.5 Any other modification in eligibility criteria will be considered, if approved by the Academic Council, of OSGU from time to time provided such criterion is not contrary to the criteria laid down by the UGC.

(vii) One external subject expert of the rank of University Professor/Associate Professor to be appointed by the Vice-Chancellor, ordinarily out of a panel of 6 experts given by the

Om Sterling Global University

Dean of the School concerned. External expert and two other members shall form the quorum.

O.10.3 After successful completion of Course work mentioned above, the candidate shall be eligible to submit a synopsis (as per Appendix 1.) of his proposed research work along with the title of thesis (finally decided by the candidate). The student will present the synopsis before the RDC. The RDC will review the same and provide suggestions on the proposed research problem. The student will submit the synopsis after incorporation of suggestions (if any) given by the RDC in due consultation with the research supervisor, duly forwarded by the supervisor and Head of the department/institution where the candidate is pursuing his/her research. The synopsis has to be submitted in five copies, with signatures of candidate, supervisor, co supervisor and Head of the department on each of the copy of the synopsis.

O.10.4 The RDC shall approve the title of the thesis, synopsis, and place of research work. After approval of the title of the thesis, synopsis, and place of research work by the RDC, no further changes can be done in the title. However, under special circumstances the university reserves the right to make appropriate changes on the request of the candidate, subject to approval by the DRC and Vice Chancellor. The letter of topic approval shall be issued by the Research cell and sent to all those concerned.

O.10.5 If the RDC makes any change only in the title of the thesis, the approved changed title shall be communicated to the candidate in the meeting of the RDC itself. The letter of registration shall be issued mentioning the approved title.

O.10.6 If the RDC suggests any change in the synopsis, then the change required shall be communicated to the candidate by the Dean/HOD. The candidate will be required to resubmit the synopsis (in five copies) as revised by him/her, incorporating the changes suggested by the RDC within the stipulated time. The Dean of the School shall examine the revised synopsis and if he is satisfied that the changes suggested by the RDC have been incorporated in the revised synopsis, he will approve the same.

O.10.7 If the RDC decides that major revision is required in the synopsis and/ or the oral presentation was also found to be unsatisfactory, then the candidate may be asked to revise the synopsis and/ or improve upon the oral presentation and reappear at the next meeting of the RDC.

O.10.8 If the RDC does not recommend a candidate for registration to Ph.D. degree, the candidate shall be communicated the same by the Registrar. In such case, only the caution money deposited by the candidate shall be refunded.

O.10.9 No T.A. and D.A. shall be payable to candidate and supervisor for attending the DRC/RDC meeting.

O.10.10 For M.Phil candidates, the DRC will have the final authority of approving the synopsis. RDC is not required for M.Phil synopsis approval.

O.11.0 Period for Submission of Thesis

O.11.1 The candidate shall pursue his research at the approved place of research under the supervisor/co-supervisor on the approved subject. The candidate shall be permitted to submit his/her thesis not later than six calendar years from the date of admission.

Om Sterling Global University

O.11.2 No extension beyond the period of six years from the date of admission is allowed. After six years, if the student is unable to complete his/her work, the registration will stand automatically cancelled. After this period if a candidate desires to pursue research work for Ph.D. degree he/she will have to apply for registration as a fresh candidate.

O.11.3 The maximum duration can be extended for one year by competent authority in extraordinary circumstances.

O.12. Six Monthly Report

The University shall obtain every six months a record of attendance, receipt of fees paid and progress report of the work of the Research Scholar from his supervisor as per Appendix 4, which shall be scrutinized by the DRC. If the progress of work is not found satisfactory in two successive reports or no reports are received for a period of one year or candidate fails to deposit fees, the Vice-Chancellor on the recommendation of the DRC, may order the removal of the name of the scholar from the list of those registered for the Ph.D. degree.

O.13. Pre- Submission

O.13.1 Prior to the submission of the dissertation/thesis, the scholar shall make a pre-submission presentation in the Department before the DRC (Department Research Committee) meeting which shall also be open to all faculty members and other research scholars. Faculty member from allied Department may also attend the pre-submission presentation. One external subject expert may also be called in pre submission presentation. The feedback and comments obtained from them may be suitably incorporated into the draft dissertation/thesis in consultation with the DRC.

O.13.2 Pre-Submission of Thesis:

O.13.2.1 Prior to submission of the thesis, the candidate shall prepare a draft thesis and shall submit it in SOFT and HARD copy in the prescribed format of the university.

O.13.2.2 Prior to the submission of M.Phil, dissertation, the candidate shall present at least one research paper in a conference/seminar and Ph.D. for thesis, scholars must publish at least one research paper in National/International level refereed journal and make two paper presentations in National/International level conferences/seminars and shall produce evidence for the same in the form of presentation certificates and/or reprints.

The candidate should be the first/ corresponding author or if there are coauthors, then his/her name should be as first author. The reprint of such a paper along with reprints of other research papers published by him, if any, shall be appended inside the thesis at the end. If reprint has not been obtained till the time of submission of thesis, the acceptance letter along with the approved manuscript (i.e., preprint) shall be appended inside the thesis at the end. The supervisor should be the co-author of the paper.

O.13.2.3 The candidate shall make a Pre-Submission Defense, based on that draft thesis, in the University Department/School or any place in the University premise fixed by the University for the purpose. Arrangement for this shall be made on a request from the candidate, duly recommended by the supervisor, to the University in the proforma given in Appendix 5.

Om Sterling Global University

O.13.2.4 No T.A. and D.A. shall be payable to candidate and supervisor for attending the Pre-Submission presentation before the DRC.

O.13.2.5 If the DRC suggests any change in the work, then the change required shall be communicated to the candidate by the Dean Research, which will have to be suitably incorporated into the draft thesis under the advice of the supervisor. The candidate will be required to resubmit the draft thesis as revised by him incorporating the changes suggested by the DRC within 3 months' time. The Dean of the School shall examine the revised draft thesis and if he/she is satisfied that the changes suggested by the DRC have been incorporated in the revised draft thesis, he will approve the same and the thesis can be submitted. The letter of approval accordingly shall then be issued by the Research Office.

O.13.2.6 If the DRC decides that major revision is required in the draft thesis and/or the oral presentation was also found to be unsatisfactory then the candidate may be asked to revise the draft thesis and/or improve upon the oral presentation and reappear at the next meeting of the DRC.

O.13.2.7 The candidate shall only be permitted three times (including one mercy attempt to be awarded by the Vice-Chancellor) to present his case before DRC on the basis of his request, duly recommended by the supervisor, to the University in the proforma given in Appendix-5. However, if, the candidate fails to get a recommendation for submission from DRC, as mentioned above, his registration for Ph.D. shall be cancelled.

O.13.3 The Academic Council shall have mechanism using well developed software and gadgets to detect plagiarism and other forms of academic dishonesty. While submitting for evaluation, the dissertation/thesis shall have an undertaking from the research scholar and a certificate from the Research Supervisor attesting to the originality of the work, vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same University where the work was carried out, or to any other Institution. The norms of plagiarism shall be decided by the university.

O.14. Summary of Thesis and Appointment of Examiners

O.14.1 The candidate shall submit five copies of the summary of the thesis together with a list of research papers published or accepted for publication (in the peer reviewed, indexed journals), as approved by the University from time to time, through his/her supervisor.
